FOX LEA FARM USEF RATED SHOWS BIOSECURITY PROTOCOLS

Fox Lea Farm is dedicated to the health, welfare and safety of all exhibitors both equine and human. To protect our equine partners, we will be enforcing the following protocols.

Please be advised: In order to show with us, you must provide a statement of health from your vet. The statement needs to be on veterinary letterhead that said horse has received regular and consistent vaccination against Equine Influenza and EHV 1 & 4 with most recent booster being within 180 days and not within 7 days. This will be in accordance with GR845.

Please also follow these protocols:

- Not shown symptoms of or been treated for EHV-4/1 within the past 28 days.
- Not been at a facility under quarantine for EHV-4/1 or exposed to any horses showing symptoms of EHV-4/1 within the past 28 days
- Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to Show Management and to the Show Veterinarian. It is always better to err on the side of safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.
- Please take the time to review equine good hygiene practices. Please convey the importance of this to your equine caretakers for their daily routines.

Fox Lea Farm strives to provide a safe and enjoyable show experience. An important part of that experience is maintaining healthy horses. Please continue to check our web site at www.foxleafarm.com for any additional and possibly mandatory requirements. If you have any questions, please call the horse show office at (941)809-6361

Riders wishing to participate in the USHJA Children's and Adult Amateur Hunter Championships must complete an application. The rider must be a current active USEF and USHJA Junior or Amateur member in good standing (see GR202.1&HU 100). Each rider's region is determined by the rider's point state as recorded with USEF at the time of his application or the start date of the earliest qualifying period, whichever occurs first. The horse must be registered with USHJA (see HU101.1) and recorded with USEF pursuant to USEF GR 1102, in good standing under USEF rules, and shown under the owner of record who must be an active member of USHJA (see GR 1110.3). The rider, parent, and horse owner(s) must certify by signing the USHJA Code of Conduct that they understand this document and agree to be bound by it.

QUALIFYING PROCEDURES: The qualifying period for the 2016 Regional Championships begins with competitions having a start date of one year before the start date of the Championships. Each qualifying period will include any competition with a start date of no less than 60 days prior to the start date of the Regional Championships.

Cross Entry:

Rider:

- Riders cannot compete in a class that exceeds 3'3" during the qualifying period. (Exception: riders may compete in the USHJA National Hunter Derby, Junior Hunter 3'3, Amateur Owner 3'3" section and the Children's or Adult Amateur Jumper section during the qualifying period).
